

**Morningstar® US Small Cap Broad Value Extended Index** SM

19-Dec-25

The index aim to accurately represent size and style segments of the US equity market using a transparent, rules-based methodology. Size index assignments are determined targeting a fixed percentage of market capitalization, which maintains consistency over time. Style index assignments are underpinned by a 10-factor model that paint a holistic picture of style and align with the Morningstar Style Box. Blend stocks can be members of both the growth and value indexes.
